The Genie of the Wires

Aladdin summoned the genie of the lamp and any wish was immediately gratified.

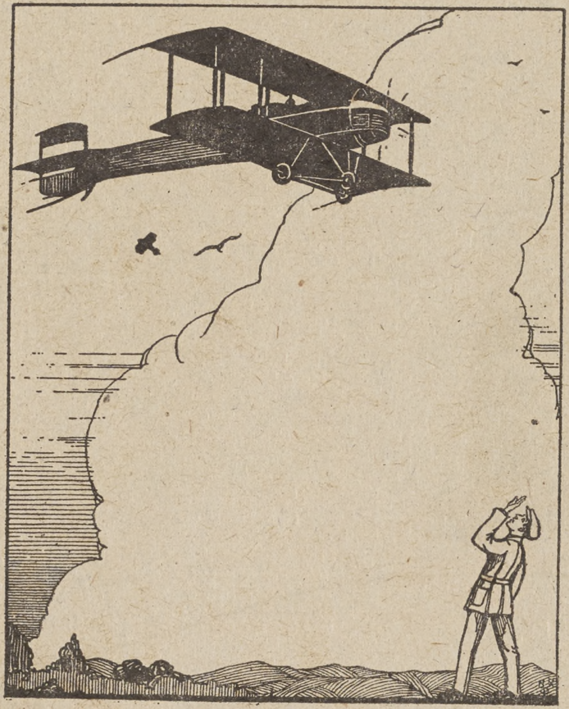
At your command there is the genie of the wires. He will take your voice instantly—without regard to distance—wherever you may desire to send it.

You are familiar with the conveniences of local telephone service, but have you ever thought of the pleasure or profit available in the use of the long distance lines?

The genie of the lamp was the servant of a single individual. The genie of the wires will respond to the call of every telephone user.

Every Bell telephone is a Long Distance station.

The Pacific Telephone And Telegraph Company



IF you want to go up in the air, the Classified Section of the Telephone Directory will tell you where you can buy an airplane.

SHOULD you wish to go down under the water, it will also tell you where you can get a diving outfit or hire a diver.

THESE are only two of over 1700 headings under which are listed the names of merchants dealing in almost every conceivable commodity or service.

When in doubt, it will pay you to consult the Classified Section.

A FEW HINTS FOR ADVERTISERS

1. Make your advertising clear.
2. See that it contains something to interest those you desire to reach.
3. Your story should be brief and to the point.
4. Use clear type and sufficient space so that your message may be easily read.
5. Do not forget that blank space used to properly display your ad is sometimes of greater value than words.
6. If you use illustrations they should show something of interest in regard to the goods you are advertising.
7. In a large ad, especially in a newspaper, your firm name should appear both at the top and bottom of the ad.
8. Include your address in your ad. Do not take it for granted that every one knows where you are. Make it easy for strangers to find you.
9. Advertising is as vital to the expansion of your business as your salesmen and should be considered as part of your selling force.
10. When business is good it is poor policy to weaken your selling force by cutting down your advertising.
11. When business is quiet an advertising stimulant will often aid to revive it.
12. Spasmodic advertising will not produce satisfactory results.
13. Good advertising stimulates business.
14. Continuous good advertising wins.
15. Always remember that truth in advertising pays.

Twelve Years Actual Experience **Lady Nurse In Attendance**

HUMAN PROGRESS

We are a race of "Doers" of things. Evolution is perpetual.
The Healing arts are no exception.

The self binder superseded the old fashioned cradle.
The tallow candle made way for the electric light.
The thresher marched in as the flail went out.
Automobiles not ox carts are in fashion.

Chiropractic is a vast improvement over older health modes. Give nature a chance and get the help for YOUR health that you have so long unsuccessfully sought thru the old ways.

If some despondent soul to hope is stirred,
Some sad lip made to smile,
By any act of ours, or any word,
Then life has been worth while.

OUR CREDO

Not—how little, for how much,
But—how much, for how little.

Dr. W. E. Stiles

CHIROPRACTOR

WHY?

BECAUSE—He is a Palmer School Graduate (and that is recognized to be the best, largest and oldest Chiropractic School in the world, three year course).

BECAUSE—Dr. Stiles uses only straight Chiropractic, no Osteopathy, electricity, surgery or massage.

BECAUSE—Dr. Stiles has proven to thousands of his patients that unless the cause of disease is removed one cannot expect to be well.

BECAUSE—Dr. Stiles in his work is sure of the cause of your trouble by taking a (picture) X-Ray of your spine. You yourself, can see where the nerves are pinched.

BECAUSE—Dr. Stiles has been located in the central part of Oakland (Syndicate Bldg.) for over six years.

BECAUSE—Dr. Stiles is licensed by the State Medical Board to practice Chiropractic in the State.

He will tell you honestly whether he can or can not make you well

My X-Ray Photographic Reports revealing the exact cause of your sickness

Are You Sick?

No matter what is the matter with you, my X-RAY CHIROPRACTIC ADJUSTMENTS and Nature will soon make you well. You can be absolutely sure of regaining your health. I will furnish you free of all charges an X-Ray Photographic Report, showing the exact cause of your sickness. This report costs you absolutely nothing and it does not obligate you to take any adjustments. No method is used in this office except straight chiropractic adjustments. No medicine, no operations, no massages, no electricity, no violet rays.

Straight Chiropractic is the one and only method I use, because I know my CHIROPRACTIC ADJUSTMENTS will make you well, if anything can.

I do not accept cases, after the X-Ray report has been made out, unless I feel sure I can produce results. I am not a jack-of-all trades, just a master of one. I do not practice everything to get your money. I practice straight, unadulterated chiropracty to get you well.

Eye Trouble, Influenza, Numbness of arms, hands or shoulders; Asthma, Heart Trouble, Sleeplessness, Rheumatism, Bladder and Kidney Trouble, Gall Stones, Indigestion, Liver Trouble, Internal Ulcers and Abscesses, Constipation, Diabetes, Dropsy, Appendicitis, Tumors, Lumbago, Tired Feeling, Paralysis, Piles, Ovarian and Menstrual troubles, etc.

DR. RODNEY MADISON

DRUGLESS THERAPEUTICS

Pain, loss of vitality, mental depression and the many other symptoms of disturbed functions, which keep us from a successful and happy life, may be due to a number of causes: errors of diet, accumulations of waste poisons (toxins), injuries to nerve centers, impinged nerves or blood vessels, mental shocks, depressing environment, wrong thinking and other complexes (psycho-neurosis), etc., and there is no one system of healing which embraces the methods of treatment necessary to remove all of the causes.

Having had training in a Medical College in addition to courses of study in three colleges teaching drugless methods, and holding a license issued by the State Board of Medical Examiners, Dr. Madison is qualified to make a diagnosis of your condition and advise you in regard to the methods of treatment needed in your case. Dr. Madison has had fifteen years of practical experience, in which he has helped thousands to regain their health. He can help you; it will pay you to see Dr. Madison.

Broadway Laundry

A New Laundry Service That Eliminates ALL Home Laundering

The Broadway Laundry has brought to Oakland an entirely new and different system of laundry service—a system that has been remarkably successful in Eastern cities *because*

1. It *completely* eliminates every phase of laundry work from the home.

2. It returns *every* article, including the daintiest of wearing apparel, properly starched, hand-ironed when it should be, and ready for use.

3. It removes hesitancy in entrusting *any article* in the household to the laundry whether it be silk, lace, wool, linen or cotton.

4. It returns to you every article carefully packed just as it leaves the ironing board in *non-crushable* heavy cardboard containers.

Our Telephone Number is Piedmont 4071

Our service must not be confused with the "rough dry," the "wet wash," the "dry wash" or the "semi-finished" service that you have heretofore heard of or used.

IT IS ABSOLUTELY NEW IN THIS COMMUNITY.

IT IS A COMPLETELY FINISHED FAMILY SERVICE, PRICED BY THE POUND.

We invite comparison of our prices, which are quoted below, with the cost and drudgery and bother of home laundering.

Minimum charge of $1.52 for 8 pounds, 4 pounds of flat work and 4 pounds of wearing apparel.

For each additional pound of flat work over the minimum, 9 cents.

For each additional pound of wearing apparel over the minimum, 29 cents.

A trial bundle will convice you of the satisfactory, completely Finished Family Service we render, and

REMEMBER

Each and *every* article you send us is returned ready for use, *starched* and *hand-ironed* when necessary, nothing undone.

All silks, laces and finery are washed by hand.

We use soft water and only the highest grades of soap flakes procurable.

TELEPHONE TODAY, PIEDMONT 4071.

Our auto service covers all parts of Oakland, Berkeley and Alameda. A representative will call upon request.

Children's Eyes a Specialty

We Duplicate Any Broken Lens

Oculists & Aurists

I Want Difficult Cases

Eye-strain, headaches, dull, aching, itching, smarting, watering eyes, blurred vision, floating specks, apparently stupid children, incorrigible children, CROSS-EYES, insomnia, neurasthenia, irritability, depression, dizzy spells, impaired memory and other nervous derangements, THAT DO NOT YIELD TO OCULISTS' METHODS OF TREATMENT. If you have not been relieved of your symptoms, or your glasses do not give perfect satisfaction, call on me. I treat the eye as a part of the nervous system —not as mere organs of sight—and correct many nervous disturbances, by equalizing the distribution of nerve force. I USE NO DRUGS OR DROPS TO EXAMINE THE EYES.

DR. RODNEY MADISON

DRUGLESS THERAPEUTICS

Pain, loss of vitality, mental depression and the many other symptoms of disturbed functions, which keep us from a successful and happy life, may be due to a number of causes: errors of diet, accumulations of waste poisons (toxins), injuries to nerve centers, impinged nerves or blood vessels, mental shocks, depressing environment, wrong thinking and other complexes (psycho-neurosis), etc., and there is no one system of healing which embraces the methods of treatment necessary to remove all of the causes.

Having had training in a Medical College in addition to courses of study in three colleges teaching drugless methods, and holding a license issued by the State Board of Medical Examiners, Dr. Madison is qualified to make a diagnosis of your condition and advise you in regard to the methods of treatment needed in your case. Dr. Madison has had fifteen years of practical experience, in which he has helped thousands to regain their health. He can help you; it will pay you to see Dr. Madison.

IF you want to go up in the air, the Classified Section of the Telephone Directory will tell you where you can buy an airplane.

SHOULD you wish to go down under the water, it will also tell you where you can get a diving outfit or hire a diver.

THESE are only two of over 1700 headings under which are listed the names of merchants dealing in almost every conceivable commodity or service.

When in doubt, it will pay you to consult the Classified Section.

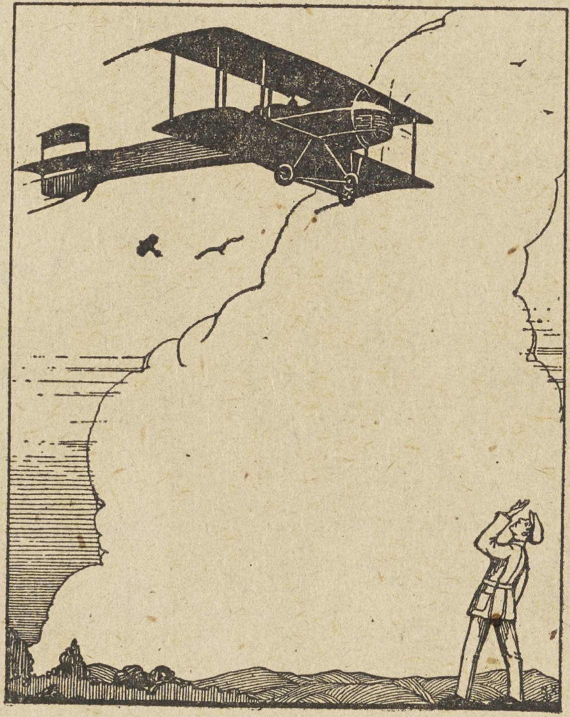
Need a Taxi in a Hurry?—Telephone.

If you don't know the number, just look in the Telephone Directory.

The Classified Section lists the Companies furnishing Taxi Service as well as merchants dealing in all sorts of commodities and service under headings that indicate each particular kind of business.

When in doubt, look in the Classified Section.

**THE PACIFIC TELEPHONE
AND TELEGRAPH COMPANY**

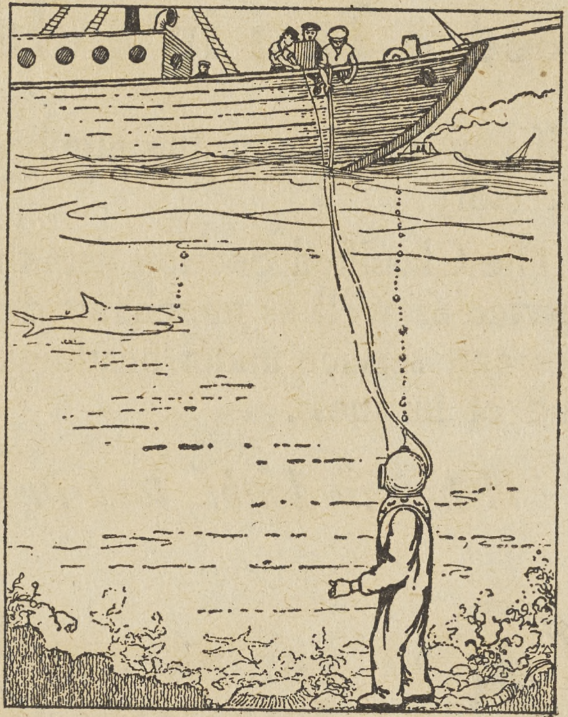


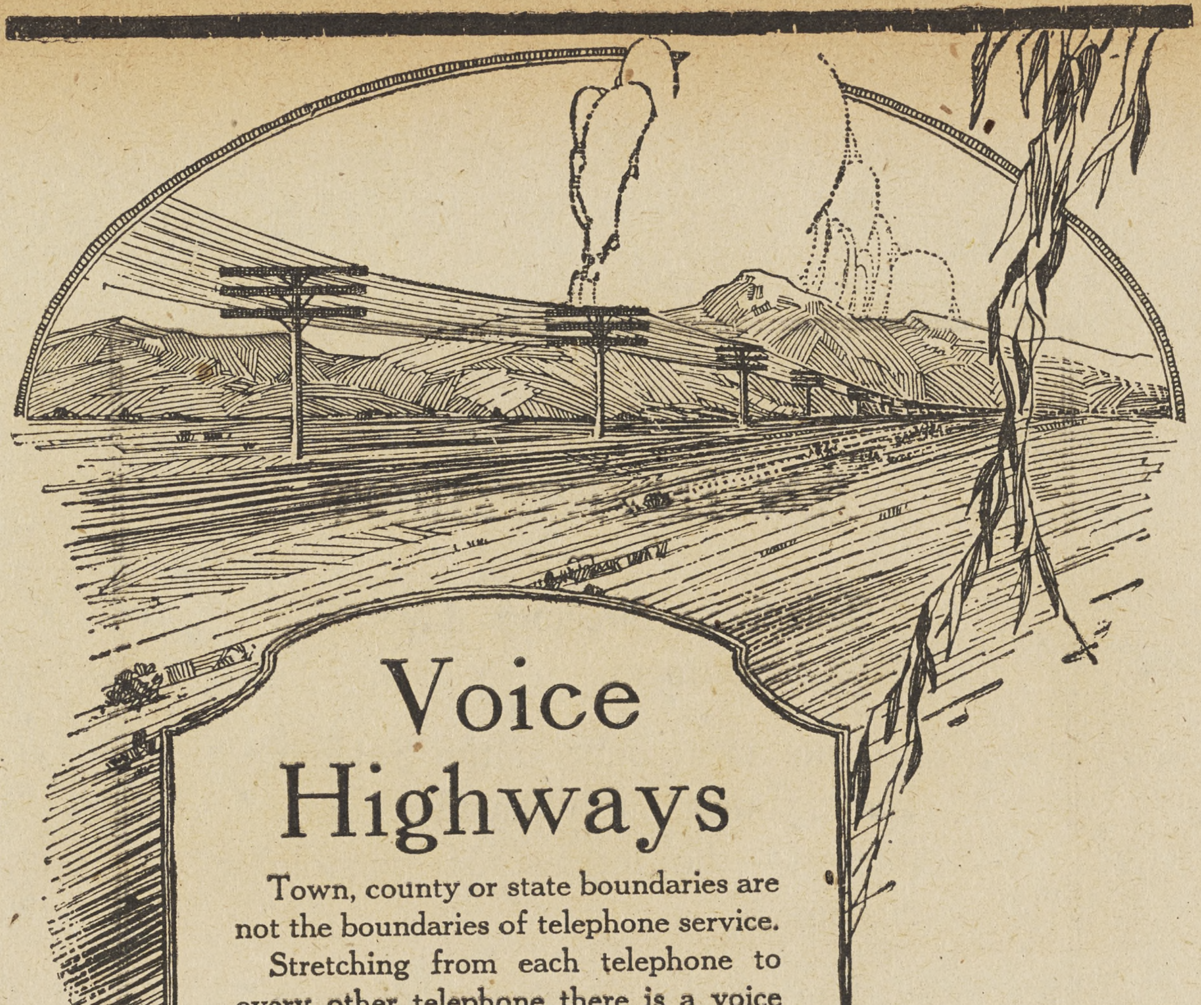
IF you want to go up in the air, the Classified Section of the Telephone Directory will tell you where you can buy an airplane.

SHOULD you wish to go down under the water, it will also tell you where you can get a diving outfit or hire a diver.

THESE are only two of over 1700 headings under which are listed the names of merchants dealing in almost every conceivable commodity or service.

When in doubt, it will pay you to consult the Classified Section.





Voice Highways

Town, county or state boundaries are not the boundaries of telephone service.

Stretching from each telephone to every other telephone there is a voice highway. Its use may be had for the asking.

On these highways there may be business waiting—there may be the pleasure and comfort of friendship and affection.

Long distance rates vary during the twenty-four hours of the day, and also change according to the class of service desired. The telephone directory gives full information.

Every Bell telephone is a Long Distance station.

AN INVESTMENT

Telephone directory advertising is an investment.

Like an account in the Savings Bank, your monthly payments draw interest—the interest of possible customers.

The constant repetition of your message, due to the continuous use of the telephone directory, will maintain an interest once it is created.

Carefully prepared copy will create this interest.

Can you afford not to try a medium which has proven of decided advantage to so many successful advertisers?

JUNIOR SALESMEN are one inch single column spaces under the headings in the Classified Section of the Telephone Directory.

JUNIOR SALESMEN are on duty continuously and are persistent solicitors for business.

JUNIOR SALESMEN will tell your story at all times in over 93,000 Oakland Telephone Directories.

JUNIOR SALESMEN are of great value to new advertisers desiring to use small space, and to old advertisers who have been using bold type listings with success but require a little more space in order to describe in a few words the commodity sold or the service rendered.

JUNIOR SALESMEN will create business at small cost and will produce satisfactory results for you as they have done for others.

When You Move To a New Neighborhood

You do not always know just where to buy the things you need.

Why not look over the Classified Section of the Telephone Directory and make a list of the merchants in your new locality who deal in the articles and service you will require?
